

Farewell Karla

For the past 12 years, Karla Wilson has been working hard to carry on the dream of Mary Lynn Higgins, by sending disadvantaged youth on their class trips. There is no reason that any student should stay behind, watching their classmates head off to discover and experience new cities and events. Children need to be able to participate without guilt or dread of adding any burden to their families. By hosting various fundraising events, we are able to help raise enough money to ensure that no one stays home. Karla has been instrumental in coming up with fresh new ideas each year to raise money, her time and efforts are most respected. We as a board will do our best to honour her by continuing to be successful in our fundraising. As things change in our lives, we have to accommodate and juggle new structure and responsibilities. At this time, we must say good-bye to Karla as she has retired from her position as Chair and has also ended her position on the Board. Karla's love for our youth and dedication will continue to be our inspiration. We welcome Sue Adlam, VP of Sales and Marketing at Coach Canada as the new Chair. We would also like to welcome a new Board member, Patty Pattison, Director of Sales at Pacific Western.

In Their Own Words

From Ethan:

When you support others, it just makes the people happy! Just like me. I experienced many things. My highlight/favourite part was when we went to the Sugar Shack in Quebec.

From Destiny:

The trip was so much fun. I felt like I was in a different world because of how old the city looks and feels, the people there were so sweet, and I really hope the next classes to go have just as much fun as I did.

From Josh:

Thank you for your donation that allowed me to go to on the Quebec trip with my class. I will always remember the experiences from this trip of a lifetime. Also, the best part of the trip was the fact that we had actual conversations with each other and weren't glued to our cell phones. I got to see St. Anne's canyon and the waterfall helped me get over my fear of heights. Thank you so much.

From John:

You fundraised so much money for me so I was able to go to Quebec. I may not know who you are, but you made the effort for me which honestly is a blessing. Anybody else would take you for granted, but I wouldn't. You made my wish come true and I want to thank you and show you how nice and wonderful and blessed I am to have such nice people beside me at times. Thank you
